

Director's Report for August/half of Sept

Music

Happy – Most everyone has passed the song or is close.

Sway – The song is coming along. Hope to get everyone passed after Hey Papi

Hey Papi - **Dixie has been gone so learning the song has been slow. There will be a lot of time in the next few rehearsals for her to work on the song.*

Music Staff

We had a meeting on September 22. Dixie at the last minute was unable to attend.

**Without Dixie I was unable to confirm dates when she wasn't at rehearsal. We have scheduled this Sunday evening a phone call to get those dates cleared up and what is happening in October*

I gave the Team several contest ballads to see what they like and to get back to me in 2 weeks.

Oct 3 – I'm zooming, Dixie teaching and reviewing Hey Papi, getting off the paper.

Review of holiday songs, Happy and Sway

Oct 10 – I'm not zooming – dueting at 2 houses for most of the evening, then coming together and going over Hey Papi and other songs.

Oct 17 – I'm zooming, clean up any holiday songs that need attention either in sections or dueting, or all together.

Discussed the costumes, Rita will send out an email.
