

## **Director's Report for March**

### **Music**

Sway – progress is very slow, but with contest around the corner that's expected. After contest you will be spending a lot of time in sections, dueting to get this song down.

### **Friends and Family**

We had a good performance. The advantage of an early scheduled Friends and Family, will help everyone on how they did, what they liked, and what areas they need to work on, and with plenty of time to improve.

### **My schedule**

I know Judy sent out a tentative schedule of my tentative schedule for the summer but we'll talk more this coming Sunday

### **Coaching**

Next Monday, April 3<sup>rd</sup>, we have Julie Starr coming to coach us.

### **Contest**

We are contestant number 11. The pattern times and rehearsal times have not been posted yet. As soon as they are posted, I will make up the schedule for Saturday and send it to Dee along with the Friday and Saturday costumes, and makeup lists.

Competition Handbook – Dee will be updating the handbook from 2019.

### **Discussion Items:**

1. My schedule for the summer, is iffy
