

Director's Report for April/May

Music

Sway – progress is very slow with the last 2 pages. The staff decided to poll the sections and see if they want to continue with the long version or go to the short version. Outcome to come....

New Music

How Deep Is Your Love and Carol of the Bells will be taught this summer.

Music Staff Meeting

I held a meeting to go over the summer schedule based on who was here among the staff.

I tried to get the chorus to turn in their vacation schedules so we could make our schedule based on who was attending rehearsals. I only had 10 members turn one in, so I'm hoping that those who didn't turn one in at this time have no planned vacations.

- a. Regular Rep: undecided about It's The Music That Keeps Us Together
- b. Holiday music: keep all the songs from last year

Rehearsal Schedule

We have a ruff schedule of songs to cover each week. They will consist of regular rep and holiday rep. At this time, if Dixie and/or myself are not there, we will have sections and dueting.

No planned Director

The following dates, June 19, August 14, 21, 28 (One of those three weeks in August I will come to Modesto)

Discussion Items:

1. Guest directors – do we have anyone in mind and/or has anyone responded to the DCP time in front of the chorus.
2. Sending Dixie and/or Rita to Summer Aim in Oregon (LAW Class)
3. Director Title for Dixie and myself with SAI
4. Guest Program
