

## Facility/Event Coordinator Report May 21, 2023

Sang at the Modesto Nuts Game April 25.

Attended CBS special celebration on Sunday April 30. Myself, Carol, Lily, and Lily's friend represented Riverlights in support of this Celebration.

Helped Rita decorate our dinner room at the Nugget after contest.

Retrieved storage items from Rita and Dee to return to storage later this month.

Carol informed me that a former Sweet Adeline Member and Director, Suzette Muth, recently moved to Casa De Modesto. I left 2 voicemails with Casa De Modesto to inquire about Riverlights singing for the residents there. No response, so I talked with James Jones – grandson of Suzette. He will follow up with them to give me a specific person to talk with about exploring this possibility.

Prepared physical warm up with Marlene for rehearsal on May 22.
