

Facility/Events Coordinator Report

June 11, 2023

I spoke with Phil De Bar on 2 occasions regarding the performance in Granite Bay on June 10, hosted by Vocal and featuring 'The Ladies'. I passed that information onto the chorus along with a flyer advertising the event.

Storage items from Dee and Rita were taken back to the unit. I also picked up a keyboard owned by Riverlights Chorus that was stored at Dee's place. Offered that to any member with the suggestion that they make a donation to the Angel Fund.

I sang at the Modesto Nuts game on May 23. It was fun - 8 think 11 of us participated!

Holiday Tea

I arranged the venue for this event at Grace Lutheran Church.

Saturday October 28. 10:30am- 12 noon: Luther Hall. Scone making.

Friday November 17. 9:30 am- 7 pm: Spirit Hall. Set up for Tea.

Saturday November 18, 9 am - 5 pm: Spirit Hall. Tea.

We will use their janitorial service after the event.

Performances

I called Casa de Modesto to inquire about giving a performance there for their residents. No response yet- still working on it.

I contacted Doug Hosner at the Gallo Center for the Arts regarding A Very Choral Christmas, an event they have held in the past. I heard back from Ryan Foy. He is the Director of Produced Theatre and Special Programming at the Gallo Center. They have their programming locked in for 2023 holiday season, but will look into adding it back into the 2024 season.
