

Director Report

River Lights Chorus

June 11, 2023

- I have been named Interim Director, at least until the Holiday Tea.
- I have directed two rehearsals.
- I have created a schedule of what songs we will be reviewing and learning from 5/22 thru the end of August.
- I have introduced Carol of the Bells and the short version of Sway. We are still deciding how we will end the short version. It actually looks like we can end it just like we did the long version.
- I will be preparing a rehearsal plan for 6/19's section rehearsals. Neither Sally nor I will be there.
- I will determine a schedule for submitting recordings of songs soon.

Respectfully submitted,
Dixie Tirre
