

Director's Report 10-19-23

Since my last report, I have been at two rehearsals: October 2 and 16. I was ill on October 9.

I am trying to help the chorus rehearse themselves. We are preparing for our November 4th performance.

I will be writing the list of songs for the performance. Within the next ten days, we should have a draft of the introductions for songs, etc.

I am no longer charging for my services.
